What Others are Saying About Amberly

Totally Amber-lievable!

Mike from Yorba Linda

I was in need of an enthusiastic speaker here at Angeles Crest Christian Camp. I was very pleased that God is the main focus every time she speaks, plus her ability to keep both kids and adults laughing is great. Her messages are not just humorous, but powerful and purposeful too. She is also able to involve her audience in each of the messages she shares. She definitely has a gift in public speaking. I invite her back every season as many would not be too happy if Amberly wasn't one of the speakers.
